Hi again,

I just received a thank you card from one of the guests who said the food “was superb, and the service first class”. I forgot to say to you, that upon meeting your waiter, Andrew, my first impression was, WOW, he is perfect for this event, obviously the guests thought so too.

Hi Sean

Just to let you know that Ashley’s 21<sup>st</sup> went really well on Saturday night and the finger food you supplied was, once again, fantastic!! Thanks so much to Pam for dropping it off for us – it was a great help and the selection of goodies was perfect & easy to serve.

Thanks again
